# MONEY = SIMPLIFIED

- We feed the Rotary Foundation
  - In 3 years
    - 50% of the amount given, comes back to the District.
    - The other 50% does good in the world.
  - The District Funds
    - Support the Peace Center
    - Support International Grants
    - Support Local matching Grants – we have to be ready and request these funds.

- We feed our 2<sup>nd</sup> Century Fund
  - This provides the funds to match the Foundation funds that came to District.
  - This provides the funds to do things we wish to do if matching grants are not available.
  - This keeps the asks simple.
    - We will tell you what we are doing, if you wish to support it, feed 2<sup>nd</sup> Century Fund
    - Foundation AND 2<sup>nd</sup> Century Funds are Tax Deductible.
